"Han habido muchos lugares donde hemos trabajado y seguimos haciéndolo con el mismo entusiasmo y deseo del primer día.

Es la extraordinaria riqueza de las artes escénicas lo que amamos tanto. Ofreciéndonos la oportunidad de trabajar en calles y plazas de muchas ciudades del mundo, parques de atracciones, cruceros, grandes eventos y festivales internacionales.

Nuestros espectáculos son acciones de impacto visual, cómico y provocativo. Especialmente creado para transformar espacios en ambientes mágicos. Estos personajes transmiten con su imagen y acciones, incertidumbre, curiosidad, dejando a los espectadores de todas las edades que pueden imaginar la historia de lo que están viendo.

Les invitamos a descubrir sus personajes insólitos y espero que pronto puedan disfrutar de tenerlos cerca."

Over the years we have worked in countless places and we continue to do so with the same level of enthusiasm and desire that we had on day one. It's the extraordinary richness of reality scene performance that we love so much and that has afforded us the opportunity to do street performances, work in large plazas, amusement parks, cruises, large events and international festivals. *Our shows are essentially high impact visual actions that can be comical and provocative and that are especially created to transform any space into an interactive magical experience.* Through their presence and with their movements, these characters inspire curiosity and uncertainty which serves to motivate the imagination of every spectator. Each member of the public comes to a different conclusion from what they see and experience. we invite you to discover the insolitos characters and we hope that one day soon you can enjoy them up close.
